

90th Birthday Card Art Contest

This year, Community Coffee Company invited all students in kindergarten through sixth grade to submit hand-drawn art for the front of Community Coffee Company's 90th birthday card to help the Company celebrate its 90th anniversary in April. Over 1,200 students throughout the Gulf Coast participated in the contest.

And the Winners are...

Amber Johnese from Baton Rouge is the first place winner whose design will be showcased on the front of the birthday card, on CommunityCoffee.com, and displayed in all CC's Community Coffee House® locations. Amber, a sixth-grader, wins a laptop for herself and one for her school, Glasgow Middle School.

The second and third-place winners, respectively, are **Abdul Ibrahim**, a sixth-grader from Southside Middle School in Jacksonville, Florida, and **Zoë Knijn**, a fourth-grader from Broadmoor Elementary School in Lafayette. Each student will also receive a birthday party to be celebrated with their respective classes.
